

Gila River Arena is located at 9400 W Maryland Ave, Glendale, AZ 85305

You will park in the YELLOW LOT shown below and walk to the parking lot outside employee gate 7 (see the red star on the map) to meet with your supervisor. Check in with your supervisor at dispatch BEFORE you walk into the building.

You will need to stay the duration of the game. Sometimes they run later than the scheduled out time, due to the progression of the game. If you cannot be flexible with your out time, don't schedule for these shifts.

Dress in layers - when guards get redeployed it's inside the arena and it gets VERY COLD inside. Gloves, hoodies (black or white) and black or white scarves are acceptable.

Those with visible sleeve tattoos or arm tattoos need to make sure they are covered up - layers, arm sleeves.

Pants must be worn (no shorts) and no hats. It is an indoor venue.

Flashlights are part of your uniform. Make sure you have one, as it will be needed.
