

You will check in with Control at TSRA first (located downstairs beneath the parking garage). You may park in TSRA parking garage temporarily just during check in ONLY. ([Click here for TSRA Parking Garage/Control Map](#))

After check in, leave TSRA and drive to the star located on map below (On Lincoln between 3rd street and 4th street). This is the entrance to the lot and where you are posted at during the shift. You may park along the fence line inside the lot, and there will be a pop up tent for shade/coverage to stand under during your shift.
