

Parking lot with the number 1 is going to be for overnight parking along with parking for the rest of the staff on game day. Parking lot number one is off of Parkview and Major League Road.

Parking lot number 2 is for overflow if you can not find a spot to park in the number one lot. Parking lot number two is off of bullard by the Surprise Park and Aquatic Center.

Pass gate will park in parking lot that is across the street from the stadium and go into a different gate than the rest.

Everyone that is working the game will meet and sign in on the Southwestern corner of the ballpark.

Assuming that 99% of everyone is coming from the east, here's the directions for Surprise stadium; For those taking the 101, exit Bell rd and go west for approximately 9+ miles, turn left (south) on Parkview, go about 1/2 mile and turn left on Major League blvd and parking is on the right. For those using the 303, exit Greenway and go east for a couple miles to Parkview then turn left (west), go a couple hundred yds to Major League blvd turn right.

The game day guards can either take a shuttle or walk to dispatch which will be just outside the offices.

For the overnight guards, they are to continue on ML blvd to the gate, if there isn't anyone there to open the gate, there's a key code box on the left (about 15 ft from the gate). Patrol has the code.
