

Guard will be patrolling the exterior perimeter of the buildings, ensuring all gates and doors are secure. Janitorial crew will be on site until approximately 2230 and utilizing some of the gates until that point. Guard must make sure all parking access is secured at the time the janitorial staff leaves as well as any gates to the courtyard.

The parking and stadium lights should be on for the entirety of the shift and random patrols are to be made around the field perimeter. The onsite contact is Randy Mahlerwein (602-690-2141) and is only to be contacted in case of an emergency.

If anyone is found on the property or attempting to gain access guard is to call Gilbert PD. There is a golf cart onsite for use inside of building 700, cart and building key is on the key ring. 700 is just south of the football field. The rollup door must be opened carefully as to not derail the chain. The door on the main building due east from 700 is the entrance to the locker room where you can use the restroom. (Smiley face on the map) At 0600 each morning you will be relieved at 700 by Matt- 602-826-9099.
