

Parking for Phoenix 4th is located on the west side of the park. Please enter off of Central Ave onto Steele Indian School Park Rd and two of our guards will be there to give you exact parking directions. Space is limited and we recommend you take the light rail, especially due to how close the stops are to the park. We will reimburse the cost of your light rail ticket. The yellow arrow is the approximate location of parking. The red box is the approximate location of dispatch.
