

CHASE FIELD
401 E. Jefferson St.
Phoenix, AZ 85004

Once you park, you will enter through the glass doors on the NE side of the building. That will put you in the Northeast Stairwell. This will be the usual meeting spot, however if directed to go to Control, from there you will hang a left and go down the stairs to the control door. Go through that and then take the next right into the HR briefing room.

You will not be able to enter the building prior to 30 mins before your shift, unless TEAM supervisor is on site.

For this venue you are not allowed to wear shorts and will be sent home if you show up in shorts.

Please make sure you have a flashlight and water bottle for every shift.

As the season progresses it will start to get warmer and some gates get more sun exposure than others - please plan for that - water, sunscreen and hat.
