

If there is an event at Chase Field, guards will park at the Palomar hotel parking garage. The garage entrance is on the north side of Jefferson west of 1st Street. Jefferson traffic is eastbound only, so the entrance needs to be approached from the west. Inform the parking attendants that you are working security for Phoenix Suns Arena. Take the parking ticket to shift and have it validated by PSA security. Parking will be approximately \$5

From the parking garage, proceed to the employee entrance on the east side of the stadium for check in. (See picture on left)

If there is NOT an event at Chase field, guards can park in the Chase field parking garage. Parking fee will be approximately \$2
