

Tempe Arts Fest

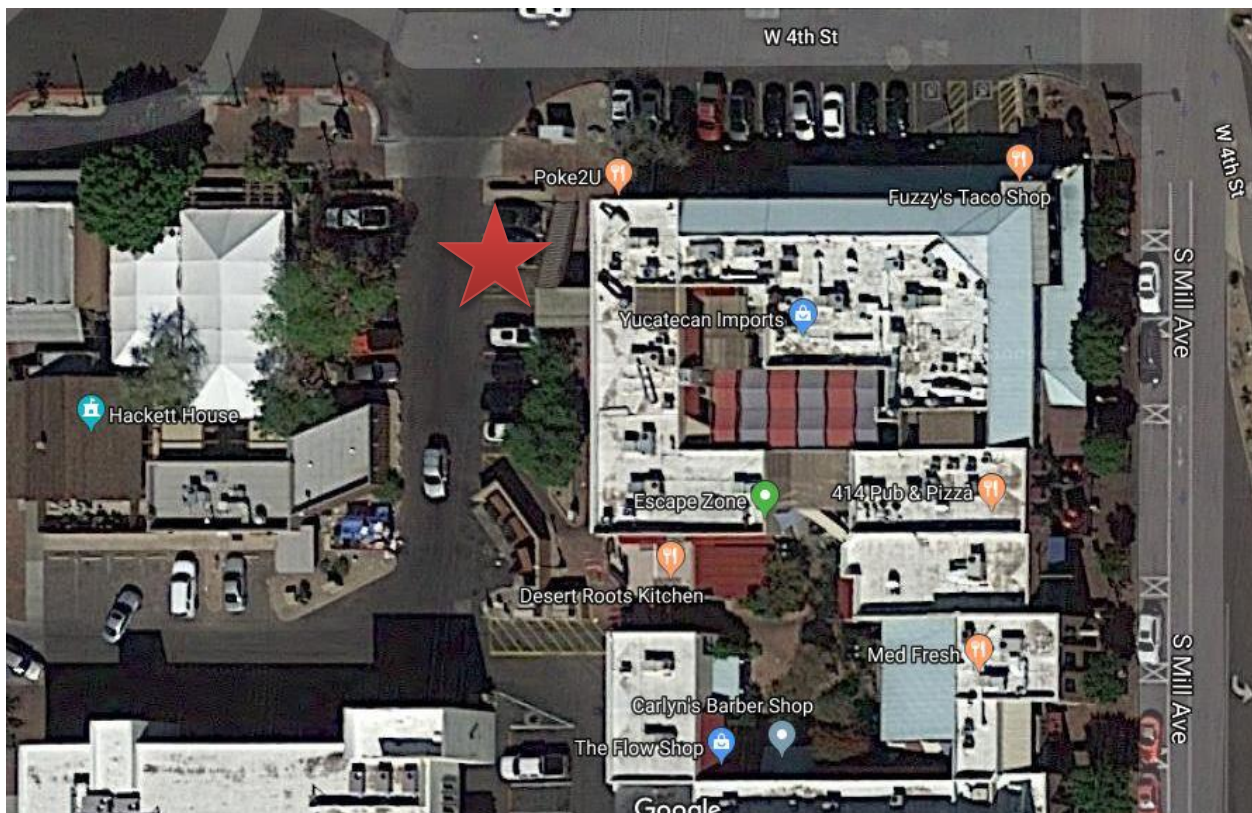

Tempe Festival of the Arts spans Mill Avenue from University to 3rd Street. Those streets will be closed, so please keep that in mind when you are planning. Lightrail is a good option, but we also have parking available.

On Thursday and Friday, you will be able to park at the City Hall Garage (117 E. 5th St). When you park in City Hall Garage, you will take the ticket from the machine upon entering. We will provide validation passes to you when you sign in, and when you leave the garage, will need to scan your entry ticket and then scan the validation coupon that we will provide to you.

On Saturday & Sunday, you will park at 201 S Ash Garage. If you are in uniform when entering the lot, you will not need credentials. If you are not in uniform, you will need to show a parking pass (in employee portal). The pass can be shown on your phone (it does not need to be printed).

You will Once you park, you will walk to dispatch. Plan for time to walk from your parking spot to dispatch.

A CLOSE-UP OF DISPATCH SHOWN BELOW WITH A RED STAR:

WALKING TO DISPATCH:
